Double K Ranch MT – Darby, MT

We are a ranch and fully operational butcher shop located outside Darby, MT in the Bitterroot Valley. We produce a range of fresh, smoked, cured and dried meats. This includes everything from dry aged beef to bacon and traditional dried salami. We make our products from our own beef and pork as well as local lamb and bison. In addition to the meat that goes into products, the wine, meade, beer, spices, herbs and nearly every other input is sourced from Montana. Salami are shelf stable, so shipping is easy, making them a great gift. Subscription boxes are also delivered four times a year, and our fresh products are great for holiday meals.

Red Rooster Kitchen – Laurel, MT

At Red Rooster Kitchen, we produce 32 different varieties of jams and jellies, syrups, BBQ sauce, and we are also a wholesale bakery. Most of the fruit we use is from Montana – huckleberries, chokecherries, rhubarb, saskatoon, apples, aronia berries, crabapples, grapes and plums. We are small batch producers, so we control every aspect of making the jam from picking to processing. We believe that this is the perfect gift for anyone, and we have been making gift baskets for years. Our products can be purchased in a variety of small stores throughout Montana or online.

2020 Grown in Montana Holiday Gift Guide

Shivelight Premium Beverage Co – Missoula, MT

Our products are all about showcasing the natural and agricultural heritage of Montana. We use Missoula produced knapweed honey in all our shrubs, we use Flathead Cherries, Bitterroot Apples, and ginger grown at Deluge Farm in Plains! Our products are unique, interesting and meaningful, and they would be an unexpected and new experience for most. These products are also versatile, working well for cocktail aficionados as well as people seeking out a healthy lifestyle. Our shrubs are concentrated so their price reflects a lot of value. For instance, most cocktails will use 1oz of shrub, so an 8oz bottle goes a long way. For those seeking out a healthy lifestyle, we deliver a functional beverage with an apple cider vinegar base at a similar price point to kombucha. Shivelight shrubs are available in stores throughout Montana or are available online through Amazon or our website directly.
