

Extended Resources for Montana Invasive Species Education.

This is just a fraction of the resources available online for invasive species education. We suggest students conduct a web search for the specific invasive the students are investigating.

Montana Sites:

Agriculture in the Classroom

View the Montana Invasive Species Education (MISE) project online:

<http://agr.mt.gov/agr/Programs/AgClassroom/k-8projects/>

Providing lesson plans, posters, “hands on, minds on” experiments, and educator university credit and OPI renewal unit classes.

Montana Fish, Wildlife & Parks

Aquatic Invasive Species

<http://fwp.mt.gov/fishing/species/ais/>

Providing comprehensive information on invasive fish species.

**The Montana Department of
Natural Resources
& Conservation**

This site offers information on both aquatic invasives and forest invasives.

Aquatic Invasive Species

<http://dnrc.mt.gov/divisions/cardd/resource-development/aquatic-invasive-species>

Invasive Forest Pests

<http://dnrc.mt.gov/divisions/forestry/forestry-assistance/pest-management/surveillance-for-invasive-forest-pests>

This site offers Montana specific science and control information on invasive weed species.

<http://agr.mt.gov/agr/Programs/Weeds/>

National Sites:

INVASIVE SPECIES PROGRAM

<http://www.fs.fed.us/gsearch/invasive%2Bspecies>

"The goal of the USDA Forest Service invasive species program is to *reduce, minimize, or eliminate the potential for introduction, establishment, spread, and impact of invasive species across all landscapes and ownerships.*"

NATIONAL INVASIVE SPECIES INFORMATION CENTER

United States

State Resources

Montana

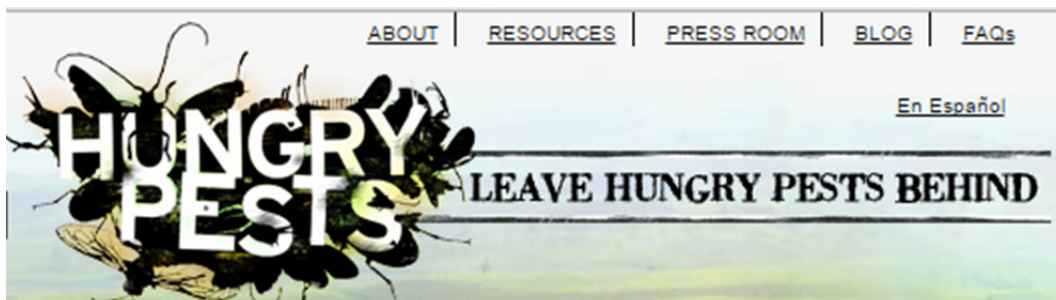

Provides links to state-specific resources with an interest in the prevention, control, or eradication of invasive species.

USDA/APHIS Invasive Species Education and Monitoring site:

<http://www.hungrypests.com/resources/educators.php>

This site offers many lesson plans and is part of the USDA/APHIS education outreach.

Comprehensive site on invasive plants and animals

<http://www.nrcs.usda.gov/wps/portal/nrcs/main/national/plantsanimals/invasive/>

Asian Longhorn beetle USDA site: <http://beetlebusters.info/>

Video for Asian Longhorned Beetle: <http://pest.ceris.purdue.edu/index.php>

This site is specific to Asian Longhorn beetles and has good research materials to accompany the Montana Invasives lesson plan.

Emerald Ash Borer educational resources:

<http://extension.entm.purdue.edu/arrestthatpest/index.php?page=part1/index>

This site is specific to Emerald Ash Borer and has good research materials to accompany the Montana Invasives lesson plan along with many lesson plans and resources.

This site offers information on stopping the spread of invasive species.

This site offers information on invasive weed species.
