

Montana Cherry Symposium

a chance to be an important part of Montana's cherry industry. . .

OVERVIEW

The Montana Cherry Symposium will be a hands on interactive learning experience for all attendees. The Symposium will bring together experts from the cherry industry, producers and providers. Working together they will discover tools to grow the cherry industry and their businesses in Montana.

Speakers will engage the participants in a hands on, exciting learning experience. They will learn how to best grow the beautiful cherries of the Flathead region. Break out sessions will encourage interaction between participants and presenters and encourage networking and discussion. The speaker and grower panel will entertain topics and answer questions that directly affect the growers.

The Symposium will be a catalyst of valuable tools to support orchard and business growth as well as a resource for continued excellent cherry product's. There will be a multitude of resources addressing local, state and federal programs as well as private sector resources.

WHY

Sponsoring the Montana Cherry Symposium will give you and your business a unique opportunity to connect with Montana cherry growers, state and local leaders and those looking for what you have to offer. Your sponsorship will build awareness of your business among the growers and build meaningful discussions around what you have to offer.

The Flathead region is famous for the beautiful cherries produced in the plentiful sunshine around the lake.
