RATES FOR STORING AND HANDLING AGRICULTURAL COMMODITIES

Name of Warehouse:
Location of Warehouse:

Instructions: Please complete this form in its entirety.

1. Provide the charges per location. Do not leave any entry blank. If no charge is assessed print "N/C" (No Charge), and if the service is not offered print "N/A" (Not Applicable) in the space provided.
2. Storage charges are assessed on a per bushel per day basis unless otherwise stated.
3. Please write or type in the blank column any additional charge not already included on the rate schedule. Use additional copies if necessary.
4. **Please post one copy of this tariff in a conspicuous place at each facility. Send one copy to the Montana Department of Agriculture at the above address.**

The following schedule of rates is hereby submitted to the Montana Department of Agriculture:

Grain Type	Storage Charges	HANDLING		Food Security Wheat Reserve	Cleaning Charges	Other Charges (Service & Put Through)	Other (Specify)
		Receiving In	Redelivery Out				
Wheat							
Barley							
Oats							
Beans							

These charges supersede all previous filings and are effective July 1, 20__ - June 30, 20__

It is unlawful for a commodity warehouse operator to charge or collect a greater or lesser amount than the amount filed with the Montana Department of Agriculture (Section 80-4-522, MCA and Section 80-4-524, MCA).
