Health Records

Producer Name:	
MCNBC#:	

This form is to be used to keep track of any medicine that is given to your certified animals. If the vaccine is given to all animals in the program, it can simply be stated as "ALL". Animals only have to be listed individually when individual treatment is given to them. This form must be sent to the Montana Department of Agriculture when completed.

Visual ID	Vaccine Lot Number	Vaccine Manufacturer	Vaccine Date	Notes/Comments
