

How to Create an ePass Account and Activate Your MTPlants Account

Step 1: Logon/Register

Go to:

<https://mtplants.mt.gov>

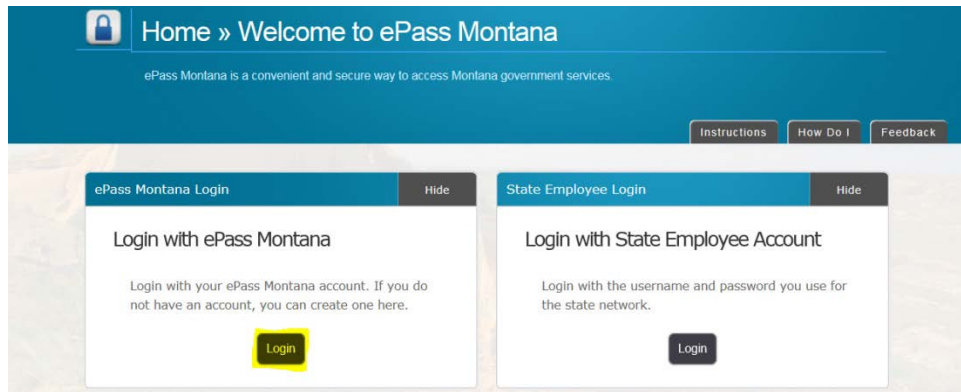

Select Logon/Register.

Select Login using ePass Montana.

Select the Login button in the Login with ePass Montana box.

If you already have an ePass account enter your information in the Existing User box and select Login.

In the Personal Information section you are required to enter a First and Last Name and a Primary Email Address.

The Primary Email Address entered will receive the receipts for all transactions performed, all new product request confirmations, and all options to reset passwords and user names on ePass.

Due to the fact that employee responsibilities change frequently, please use a company email address in this field.

Alternate Email:

In the ePass Montana ID Details enter the Username, Password, and Password Hint from the account.

Make this information Company specific rather than specific to an individual employee.

The Username must be at least 6 characters long.

The password must be at least 8 characters long, use both letters and numbers, be different than your username, and is case sensitive.

Record your username and password in a secure location.

*Verify Password:

*Password Hint:

Security questions will allow you to retrieve a lost username or to reset your password.

You are required to enter 3 security questions.

It is suggested you use the Provide Custom Security Question option and enter company specific information.

This will prevent employees from having their private personal information linked to a business account.

Step 3: Linking your ePass account to your MTPlants account

Locate the MTPlants ID and PIN ID listed on the Renewal Notice.

Enter the values into the Plants ID and PIN ID field.

Select Register.

Step 4: Finish

Enter the phone number for the business.

Select Save.

This brings up the Account Home page for the company. From here you can renew license(s), renew products, register new products, enter tonnage/assessments, view payment and contact information, and print licenses.
