# Section 24(c) Special Local Need (SLN) Label

Corteva Agriscience LLC

9330 Zionsville Road

Indianapolis, IN 46268-1054 USA

**GoldSky®**  
EPA Reg. No. 62719-582

**Extended Application Timing For Suppression of Grass Weeds in Winter Wheat  
(For Distribution and Use Only in the State of Montana)**

**This label expires and must not be distributed or used in accordance with this SLN registration  
after December 31, 2029.**

**24(c) Special Local Need Registration EPA SLN No. MT-15-0002**

**Active Ingredients:**

florasulam: N-(2,6-difluorophenyl)-8-fluoro-5-methoxy (1,2,4)triazolo(1,5-c)pyrimidine-2-sulfonamide.....0.20%  
fluroxypyr 1-methylheptyl ester: ((4-amino-3,5-dichloro-6-fluoro-2-pyridinyl)oxy)acetic acid, 1-methylheptyl ester.....11.57%  
pyroxslam: N-(5,7-dimethoxy[1,2,4]triazolo[1,5-a]pyrimidin-2-yl)-2-methoxy-4-(trifluoromethyl)-3-pyridinesulfonamide .....1.20%  
Other Ingredients .....87.03%  
Total 100.00%

Contains petroleum distillates.

Acid equivalent – fluroxypyr – 8.03% - 0.71 lb/gal

Contains 0.018 lb of florasulam per gallon, 0.71 lb fluroxypyr acid equivalent per gallon, and 0.11 lb pyroxslam per gallon.

## Special Conditions and Risks of Use

USE OF GoldSky® herbicide (THE “PRODUCT”) ON WINTER WHEAT (THE “CROP”) MAY RESULT IN CROP INJURY, CROP YIELD REDUCTION AND/OR CROP LOSS. READ AND UNDERSTAND THESE SPECIAL CONDITIONS AND RISKS OF USE BEFORE USING THE PRODUCT ON THE CROP.

Corteva Agriscience makes the Product available for use in the manner described in this Special Local Need Labeling on the basis that, in the sole opinion of the user, the benefits and utility derived from the use of the Product on the Crop outweigh the potential risk of Crop injury or loss. The decision to use this Product in the manner described in this Special Local Need Labeling must be made by each individual user on the basis of anticipated benefits versus (i) the risk of Crop injury, Crop yield reduction and Crop loss, (ii) the severity of the target pest infestation, (iii) the cost and availability of alternative pest controls, and (iv) any other relevant factors.

By purchasing the Product for use, or using the Product, in the manner described in this Special Local Need Labeling, you acknowledge and accept that:

- (1) You assume all risk of Crop injury, Crop yield reduction and/or Crop loss;
- (2) Corteva Agriscience does not make, and does not authorize any agent or representative to make, any representations or recommendations regarding the use of this Product on the Crop other than the statements on this Special Local Need Labeling;
- 3) Corteva Agriscience does not make, and does not authorize any agent or representative to make, any warranties, express or implied, with respect to the use of the Product on the Crop and disclaims all warranties, express or implied, including any implied warranties of fitness for a particular purpose or merchantability;
- (4) Corteva Agriscience disclaims all liability for any damages, losses, expenses, claims or causes of actions arising out of or relating to inability to sell the Crop, Crop injury, Crop yield reduction and/or Crop loss;
- (5) These Special Conditions and Risks of Use supersede any contrary representations or recommendations by Corteva Agriscience, its agents or representatives, and any provisions in or on any Product literature or labeling including any provisions on the label affixed to the Product container.

If these Special Conditions and Risks of Use are not acceptable, the unopened Product may be returned to the seller for a refund or used for a different labeled use in accordance with the label affixed to the Product container. These Special Conditions and Risks of Use are required by Corteva Agriscience and not specified by the U.S. EPA or the State of Montana.

### ATTENTION

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- This labeling must be in the possession of the user at the time of application.
- Read the label affixed to the container for GoldSky® herbicide before applying. Carefully follow all precautionary statements and applicable use directions.
- In addition to restrictions and limitations imposed by this Special Local Need labeling, use of GoldSky is subject to all use precautions and limitations imposed by the label affixed to the container for GoldSky.

### Directions for Use

Refer to the product label for Precautions and Restrictions, Mixing Instructions and Application Directions.

Apply 1 pint of GoldSky per acre to actively growing winter wheat from the 3-leaf up to before flag leaf emergence (Zadoks scale 37) according to the application timings shown in the table entitled Weed Controlled (C) or Suppressed (S). Treat after the majority of weeds have emerged. Best results are obtained when application is made to weeds that are actively growing.

**Crop Specific Use Restrictions:**

- Do not apply more than 1 pint of GoldSky per acre per growing season.
- **Preharvest Interval:** Do not harvest treated crop within 60 days after application.
- Do not graze the treated crop within 7 days following application.
- Do not cut the treated crop for hay within 28 days following application.

**Note:** This product may contaminate surface water due to runoff of rainwater. Refer to the Environmental Hazards section of the product label attached to the product container for required protective measures.
