

Pull Your Share Weed Pull Checklist

(For Teachers and Educational Weed Pull Agency Hosts)

Administrative: Teacher

- ___ Get approval from the principal for the field trip/educational weed pull.
- ___ Order a bus for the day of the field trip
- ___ Handout Permission Slips and Pull Your Share informational letter describing the field trip.
- ___ Collect permission slips
- ___ Inform attendance office which students will be going on the field trip.
- ___ Lunches with water Many times the school provides the lunches from the cafeteria or Family and Consumer Science Classes or students can bring their own or lunches can be provided by the host agency.

Tools and Equipment: Agency Host or Teacher

(To learn where to get tools and equipment go <https://pullyourshare.wixsite.com/mysite-1> - Planning an Educational Weed Pull - Signs and Supplies

- ___ Pull Your Share sign (if not previously installed at site)
- ___ Fasteners, drill, drill bits, lag screws, washers, & tools to install the sign (Generally the Forest Service etc. will have a previously installed post to secure the sign to.)
- ___ 3 to 4, five-gallon buckets or similar containers for holding gloves and weed pry tools
- ___ Gloves for each student - generally nitrile palmed gloves size large work for everyone, place the left-handed gloves in one bucket, right in another bucket for convenience.
- ___ Weed pry tools for each student.
- ___ Garbage bags
- ___ Hand Wipes
- ___ Tick spray (optional)
- ___ Pull Your Share stickers if not already given out in class.
- ___ Portable outhouse if there is not an outhouse at the weed pull site.
- ___ Additional toilet paper (in case outhouse runs out)
- ___ Contact the Media - call or email local newspapers and television stations to cover your event - See **News Release** under **Planning a PYS Ed. Weed Pull**
